

Ann,

The undecided girl!

Never forget all the fun we have
had. The few dates. All the crazy
remembrances they really were fun. I wish
I tell you ~~you~~ that you are good looking
but I will say you have a fine
personality, easy to get along with
understanding and a bushel more of
good traits. You have made a fine
record ~~and~~ to be envied by many
and yet it has not changed you one
bit. You seem to take everything right
in stride and that is the way to be.

Next year when all the good people
are gone I pity the poor school! In
But no kidding; I'm sure we will
have to money because people like you
and you mostly will be able to hold
it down or keep it rolling; one or both.

May I wish you the best of
everything and all the success in life.
You are kinda cute too

Sincerely
Lany

Received

Dear Ann
you are one of my ~~best~~ dearest friends
and always will be. you have the sweetest
personality in B. M. S. I will never
forget all the good times that we have
had in football, basketball, and cheerleading.
I remember when we would go to some
of the cheerleaders house and make posters
and cut out B's and other things. I
remember when we would lead the foot-
ball players in and Sybil would be afraid
that they would run over her. Remember
when all the cheerleaders went in swimming
and all of you had to go up to the baby
part with me.

Deserved

Dear Ann,

You have really been a friend to me. I feel that I can tell you anything and not have to worry about you telling everybody you saw.

We really had a good time during football season and I hope that next year when you are ready to cheer and you raise your hand and think of me and have much fun we had decorating, yelling, fussing and most of all eating!

I'll never forget the night we went to the fair and went in the "goatie" shows and did have fun! That "p.j." party we had topped it all and I don't mean maybe.

Ann, I'm really going to miss you next year. I hope that you will remember me and if you need any help on the Clarion or want to ask me anything just call and I'll do all I can.

I guess what I'll miss most next year, is the friendly smile of yours and those happy sayings. Ann, I hope that just because I'll be gone next year, that you won't forget me. I'll come to the games and I'll help you yell, (in the stands.) Ann, I couldn't find a better friend anywhere. I think you are tops and I know a lot of others do too.

God bless you and don't change one bit!

Lovey "Crifii"

Dear (Annie) Anne,

It has been swell knowing you this
year. I hope next year we will be even better
friends. We have had a lot of fun in this
year of B.H.S. and I have really enjoyed
it. I hope you didn't mind me falling you
my girl (but you know I love you) (H.A.). Well it was
fun while it lasted. I've just been wondering
which boy you going to choose as your
steady (Will?). The two boys you have to
pick from are both swell. (I know twett
the best) (He's great). You a swell and
good looking girl. Also real
sweet. Such a great
person. I hope you always
remember me. I hope you
may go to the greatest and
world. I hope you all the luck in the

on your way

Dear Ann,

You're one girl I can truthfully say
I've enjoyed knowing these past four
years and being in class with you.
It's really been fun.

At the rate you're going now, you'll
really be a success in life.

I'll never forget all the good times
we've had together. Remember how
we used to eat in Miss Brock's room.
We've really had some times, haven't we?
Don't forget our good old times in basket-
ball. I hope you're having the days.

I want to wish you the best of
everything life has to offer to anyone.
You deserve the best. Good luck in
everything you attempt.

Love,

TREASURES which are sought by each of us are often found most abundantly in our daily activities. Some are small and insignificant; others are large and known to all. B. H. S. has been a *Treasure Island* for us, the students, since here we have found moments of happiness and joy, moments of expectation, moments of sorrow—each to be treasured in its own way. We, the CLARION staff, have sought to capture within these pages some of the highlights which have enriched our high school days. Proudly, yet humbly, we present this—our treasure chest of memories.

It sure has been well knowing
you these past four years. We
have really had a lot of fun those
years haven't we. You are one
of my favorite dancers &
one of my very best friends.
I will never forget you &
your friendly ways. You
are a swell girl & shall
go far. I will always
remember (now that you
reminded me) of the night
Tony & I came down to
get Wendell. "Um boy,
almost joy" was the fitter
words for that night. Hope
you do wonders in the
junior play. Please save
me a dance at the junior

will let you. Ha! Ha! I will

I didn't know you until the eighth grade

"Your attention please," says the voice over the P.A. Everyone is quiet for there is always news of some importance from either Jean or Mr. Cortner. "I would like to see the following people in the office" is an expression dreaded by all, for the skipping penalty is always just but firm. Yes, things are always happening in the office, but Mr. Cortner and Jean somehow find time for all of us.

When other things have been going on at Belmont High School, it has been their 1954 football season. Everything happened that could have possibly happened, calling for one of the most memorable gridiron campaigns in B H S history.

Had it not been for the forfeited conference games, the defending champs would almost surely have been champions again. Despite the fact that the use of an ineligible player took some of the sheen off the fine Raider record, it still shines brightly and accomplishments were many.

The team was a well-organized unit, coaches Wreather Johnson and Johnny Coble did a wonderful job and there was little question that Belmont was still the most feared team in their conference.

After being down at one point in the season after a stunning 25-6 upset at the hands of Shelby, the Big Red pulled themselves up by their own bootstraps, and almost grabbed the laurels. As it was, they finished the regular season in a three-way tie with R S Central and Shelby.

But after Belmont was knocked out of the race because of the eligibility rule, R S Central was also knocked for a loop for the same reason. Net result: Shelby was declared champ.

f o o t b a l l - ' 5 4 - ' 5 5

Belmont's '54 record stood at 6-1-2. After a disappointing opener in which they were tied by Cherryville, 13-13, the Raiders rolled to three straight victories.

In two straight non-conference games, North Mecklenburg and Cramerton fell before 31-6 and 25-0 scores. Loop-leading R S Central came to town the following week, and they were favored to win. Belmont proved probably the better team, but they lost 14-13.

Shelby caught the Raiders down after their great performance against Central and won easily. J. C. O'Daniel was the whole show a week later as the Big Red romped over Lincolnton 27-6.

In a non-conference game, Morganton went down, 20-6, and in what was expected to be a tough game, the Raiders topped Fort Thomas of Forest City 34-6. The Raiders tied with a 7-7 tie, that coming against Kings Mountain.

Fullback Doug Mauldin gained 1,124 yards rushing for the season, and led the county in scoring with 90 points. He was tabbed the best junior fullback in North Carolina.

Eighteen seniors graduate from the team this year. They will be missed, but others are left behind to carry on the Belmont High tradition and to keep Belmont's finest sport going: football.

~~Dear Sir~~ I have the honor to acknowledge the receipt of your letter of the 10th inst. in relation to the above named matter. I am sorry to hear that you are not well, but I hope that you will soon be able to resume your usual avocations. I am, Sir, very respectfully,
 Yours, Sir, very truly,
 J. M. Smith

Am, I am very very sorry about what
happened at the management Banquet this
year, it really did hurt me and I
trust. I hope next year you will
be able to go with me to the Banquet.

And I hope we can get as close to
each other as possible, you know what
I mean. I really and truly love you
very, very much. I will love you the rest
of my life. "I love you" "I love you"
